**Subject: Petition to Extend Community Pool Hours of Operation - Heather Ridge Estates**

Dear Members of the HOA Board of Directors,

We are writing to respectfully petition for a change in the operating hours of our community swimming pool at Heather Ridge Estates. Currently, the pool is open from 10:00 AM to 9:00 PM. We propose extending these hours to **6:00 AM to 11:00 PM** daily.

This request is made with the intention of enhancing the usability and enjoyment of our community amenities for a broader range of residents, while still maintaining a safe and well-managed environment. We believe that extending the hours would provide several significant benefits:

1. **Increased Accessibility for Working Residents:** Many residents work traditional business hours, making it challenging to utilize the pool before or after their workday within the current operating window. Earlier morning access would allow for a refreshing swim before work, and later evening access would accommodate those who wish to unwind after their day.
2. **Accommodation for Diverse Lifestyles:** Our community is comprised of individuals and families with varying schedules. Extended hours would better serve early risers, night shift workers, and those who prefer to use the pool during quieter times.
3. **Reduced Crowding During Peak Hours:** By spreading out the available pool time, we anticipate a potential reduction in overcrowding during the current peak hours, leading to a more pleasant experience for everyone.
4. **Enhanced Recreation Opportunities:** Longer hours would simply provide more opportunities for residents to engage in healthy recreation and enjoy a valuable community resource.

We understand that any change to community rules requires careful consideration of factors such as safety, maintenance, noise, and supervision. We are confident that with appropriate guidelines and continued vigilance from residents, these extended hours can be implemented successfully without negatively impacting the community.

We kindly request that the Board consider this petition and initiate a discussion regarding the feasibility of adjusting the pool hours. **Furthermore, we formally request that a special meeting be called to discuss this important matter with the community, allowing for open dialogue and resident input.** We are available to discuss this matter further at your convenience and are happy to provide any additional information or support needed.

Thank you for your time and consideration of this important matter. We look forward to your positive response.

Sincerely,
